Revenue Shared Services Centre Awareness Campaign

The City of Johannesburg is inviting residents to join the Revenue Shared Services Centre Awareness Campaign, which aims to bring municipal services directly to their doorsteps.

We will be addressing the following:

- Pensioner rebate applications;
- Checking status of the rebates applications;
- Logging of queries;
- Linking customers to receive online statements via e-Joburg portal;
- Joburg Water - water query resolution.
- Debt Relief applications
- ESP Applications

Please bring copy of ID and 3 months bank statements

WE HEARD YOU! Thank you to everyone who engaged with, and shared, our posts - your support and concern have been overwhelming.

The post reached significant views across our social media platforms, showing strong public outcry against the services from the Lenasia South District Hospital.

GLOBE POST appreciates every comment, share, and message as they help keep important community issues in the spotlight.

We compiled key public comments and concerns and sent them to the Gauteng Department of Health for official feedback.
